

INTRODUCES

SUPERLOCK

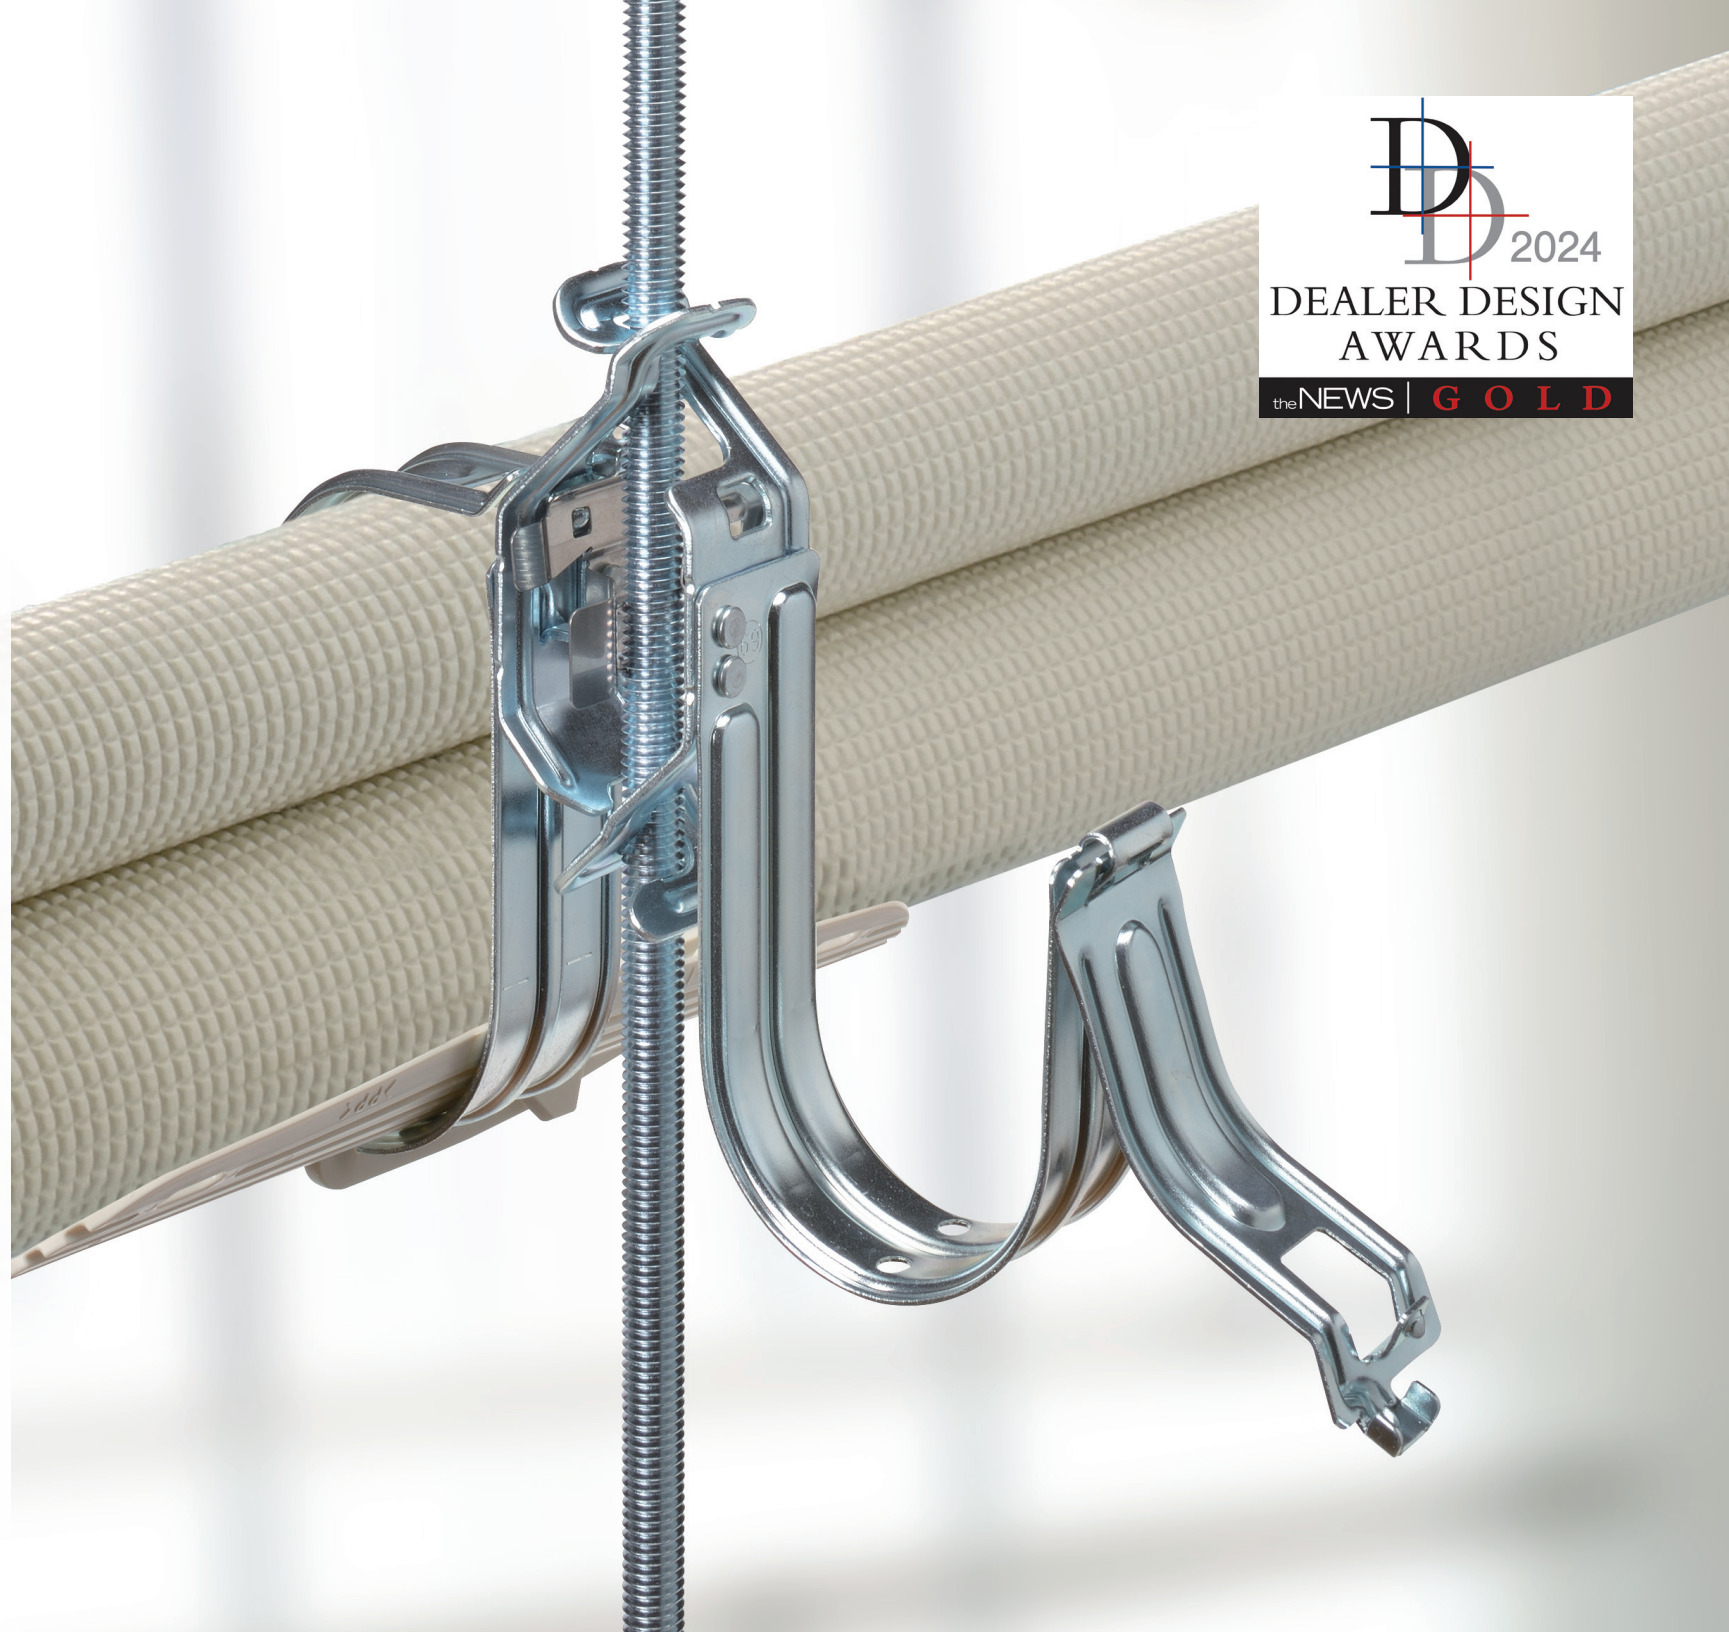

Heavy duty pipe hanger

SRV pipe hanger is the fastest solution available for jobs requiring ceiling supported pipes or linesets. The one-touch design allows for easy installation with just a twist. Two hooks fit securely on the all thread rod, while still allowing the height to be adjusted with a lever. Available in different sizes for better use of space and resources.

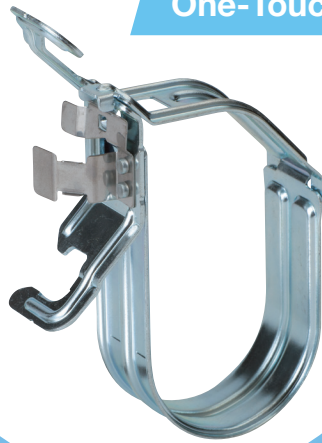

The optional protection plate, SR-HGZ is available to prevent insulation wear and tear caused by movement and vibration. Insulation crushing and tearing from pipe movement.
