

SLIMDUCT™ MD

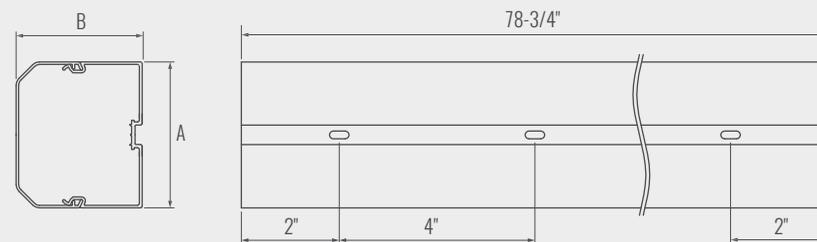

Exposed indoor linesets can disrupt the clean look of any space.

Slimduct MD provides the ideal solution — a premium, purpose-built lineset cover designed specifically for indoor applications. Suitable for both new installations and retrofit or remediation projects, Slimduct MD provides a clean professional finish to exposed interior linesets.

Dimensions

Code No.	Item No.	A	B	Pcs/Pkg
C 61035	MD-751-W	3"	2-5/8"	5
C 61045	MD-851	3-3/8"	2-7/8"	5

KEY FEATURES

Wide Range of Fittings

14 different fittings for easy installation and customization to suit any interior lineset configuration.

Clean, White Finish

The white color complements and enhances any interior design, blending seamlessly with walls, trim, and decor.

No Visible Screws

The fittings feature screw coverings, maintaining a clean, smooth appearance with no exposed hardware.

Flexible Seal

A rubber gasket provides a secure seal between the MD and the indoor AC unit for a polished, finished look.

Compatibility

Accommodates linesets up to 3/8" and 1/2" with 1/2" insulation, plus a 5/8" drain hose.

Durable Material

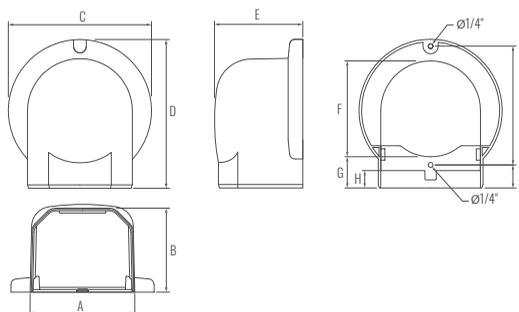

Made from high-quality, UV-stabilized PVC, Slimduct MD is both flame-retardant (UL-04-V-0) and built to withstand temperatures from -4°F to 140°F.

MW WALL INLET

Screw cap is included to cover screw head.
